

**Landscape Architect/Designer & Sales Person**  
**Full-Time Positions and Internships Available**

## **YEAR-ROUND FULL-TIME POSTIONS**

### **Landscape Architect/Designer & Salesperson**

Beechwood Landscape Architecture is seeking a landscape architect/designer and or salesperson with 0-5 years of experience in the landscape design-build industry. Beechwood is an industry leading firm developing unique and creative design solutions for our clientele in the New Jersey, Pennsylvania and Delaware market area. Beechwood offers a competitive learning environment where teamwork is essential. Competitive pay with experience, benefits and growth opportunities are available for the right candidate.

Candidates should possess the following skills:

- A bachelor's degree in Landscape Architecture or equivalent field
- A licensure is a plus but not required
- Excellent communication skills, graphic communication with creative design skills
- An understanding of construction and building code requirements is a plus.
- A strong proficiency in AutoCAD, Photoshop, Sketchup and Microsoft Office
- A good understanding of plants and the use of plants in both small and large scale residential & commercial applications. Knowledge of herbaceous materials is an advantage.
- Must be willing to learn and work within a team environment.
- Prior sales experience is a plus but not required.
