**Beechwood Landscape Architecture and Construction, LLC Receives 11 Awards for 2008-2009 Season**

**SOUTHAMPTON, NJ – July 10, 2009** – Beechwood Landscape Architecture and Construction, LLC has recently received 11 industry awards for outstanding residential and commercial landscape design in the 2008-2009 season. Presented by some of New Jersey's most reputable landscape and contracting associations, the awards include:

**The Mame Award** for Best Landscape Design for a Permanent Sales Office (less than \$350,000.00) presented by the Builders League of South Jersey.

**Commercial Award for Superior Excellence** presented by the New Jersey Nursery & Landscape Association (NJNLA).

**Four Residential Awards for Superior Excellence** presented by the NJNLA.

**Two Gold Awards** presented by the North Eastern Spa and Pool Association (NESPA).

**Two Bronze Awards** presented by the NESPA.

**Award of Merit** presented by the NESPA.

According to Steve Chepurny, President of Beechwood Landscape Architecture and Construction, LLC, the numerous distinctions were a result of the proficiency of Beechwood's landscaping contractors and a high level of personal involvement in every landscape architecture project.

"Each of our licensed landscape architects has, on average, 20 plus years of experience in pool design/landscaping, hardscaping, and property masterplanning. This high level of aptitude is consistently portrayed through the design and construction of seamlessly integrated outdoor living spaces," Chepurny reports. "I am personally involved in every one of our projects to ensure the right balance of design, function, and sustainability. Quality construction and plant material are important aspects in every project."

With the continued demand for custom landscape architecture, Beechwood Landscape is poised for future growth and is committed to remaining one of New Jersey's leading landscaping contractors. "It is an immeasurable honor to be recognized with these awards," says Chepurny. "We look forward to achieving further distinctions for quality workmanship, custom design and superior service."

**About Beechwood Landscape Architecture and Construction, LLC**

Beechwood Landscape Architecture and Construction, LLC was founded in March of 2006 by Steve Chepurny, Certified Landscape Architect (CLA) and Tim Worrell, Certified Nursery and Landscape Professional (CNLP).

An innovator in the industry, Beechwood employs a growing staff of Landscape Architects, Designers, and Horticulturists with diverse expertise in masonry construction, property maintenance, landscape installation, exterior low voltage lighting, and irrigation. Beechwood specializes in designing outdoor living spaces that are seamlessly integrated into the residential property including exterior kitchens, custom gunite pools, masonry terraces, exterior fireplaces, putting greens, landscape, custom lighting, and custom pavilions.

Since its inception, Beechwood Landscape Architecture and Construction, LLC has been the recipient of sixteen industry awards from the New Jersey Nursery and Landscape Association (NJNLA), the Northeast Pool and Spa Association (NESPA), and The Builders League of South Jersey (BLSJ).
